Dear Parents and Carers,

We are aware of the financial challenges that we as a community have faced over the past 3 years. As a result, we have decided to supply all students with a book pack at no cost in 2023. We feel that this is an important way that we are able to support our community.

If students require any additional items to be purchased to supplement this class teachers will reach out via Sentral Parent Portal to provide further information about these resources. If you are having difficulty purchasing any of the above-mentioned stationery items, please reach out to your child's teacher via the Sentral Parent Portal and they will be able to help.

Please note, as the books we purchase come with a firm-plastic cover, there is no need to take books home to be covered/contacted.

Kind Regards,

Mr Dale Edwards
Principal
