

# BLUE HAVEN PUBLIC SCHOOL

Dear Parents/ Caregivers,

Welcome back to 2023, we were excited to see so many smiling faces walking through the gate this morning .

Students have spent the first day back at school with their classes and teachers from 2022. We have had significant movement of students over the holidays and this has meant we will be needing to restructure the classes for 2023.

We will be looking to finalise these changes by this afternoon, to then form these classes with their new teachers and peers tomorrow, 1st February 2023. Thank you for your ongoing support and understanding.

Dale Edwards  
Principal
